## Controversial expansion application gets go-ahead despite health worries

By BEN MIDDLETON

ben@tindlenews.co.uk

**DESPITE** objections from dozens of residents a planning application in Broadhayes, near Honiton, has been given the go-ahead by East Devon District Council.

The application was put forward by Robert Bright, of Bright Farming Ltd.

Mr Bright wants to increase the size of his pig farm but residents say it is already too big and that their health is starting to suffer.

Currently Mr Bright has around 3,000 pigs at the site and residents in the tiny hamlet believe this number could be set to increase dramatically now that the application has been approved.

David Coles, of Broadhayes, said he was concerned about the smell produced by standing water at the farm.

He said: "Large quantities of dirty water already lie in foul smelling stagnant pools close to our property and cause a severe environmental nuisance when the wind blows from the south west."

Leo Collier, of Stockland, said: "There is considerable noise, vibration and disturbance to the road sides, not to mention huge potholes generated by this traffic (farm traffic), and we urge the council to prohibit HGVs (heavy goods vehicles), delivering feed, pigs and goods to Mr Bright, to use this tiny road as a convenient way to leave his farm when there is a perfectly good road from Broadhayes to the west."

Julian Pady, lives at a neighbouring farm in Broadhayes. He said: "We have a young family and are worried about the health implications.

"This is an intensive livestock unit. Everything comes in and out by road. Currently we have several 16 wheeled tankers discharging feed and livestock daily. When you meet these on the lane it is impossible for the tanker to pull in or back up because of its size. The effect of this new development will drastically increase this traffic.

"The stench from the existing pig houses is constant. At times of still weather it is quite unbearable and we often

All those who completed the challenge were presented with a certificate, a medal and a glow-in-the-dark wristband on Thursday by Carole Burgess, the libraries group manager, and county councillor Paul Diviani. They are pictured with the youngsters after the presentations

suffer from headaches, phlegm and nausea. Increasing the livestock number will only increase the ammonia generation.

"We are currently open to the public for two months of the year for the conservation of our meadows. We raise money for charity under the National Garden Scheme. We also have permission to run a camping barn here. The expansion of this industrial pig unit will only turn potential visitors away because of the odour problems."

Stockland Parish Council had also objected to the development.

A spokesman for the parish council added: "The issues raised by these planning applications span a considerable

period of time, certainly in excess of three years. During that time Stockland Parish Council has made its views known to the planning authority, particularly in relation to the negative impacts of further development on this site."

The Environment Agency has said that it has no objections to the application as long as the agency's agricultural guidance is followed. The guide states that the site must be drained on a separate system of foul and surface water drainage.

The guide also states that slurry must be stored in a sealed system and that fertiliser, pesticides or other chemicals must not come into contact with any watercourse.

## Online votes against plans

**MORE** than 1,000 people have voted against a planning application in West Hill, Ottery St Mary, via an online poll.

*Pulman's View* from Ottery asked residents if they agreed with the plans by Blue Cedar Homes Ltd to create 50 properties on land at Eastfield in the Woodland Village.

At the time of writing a total of 1,048 people had voted in the poll.

Just three per cent — 27 people — said they agreed with the plans with the remaining 97 per cent — 1021 people — wanting the application to be thrown out.

As previously reported in this newspaper hundreds of West Hill and Ottery St Mary residents attended a highly charged planning meeting in West Hill Village Hall back in June. During the meeting the Blue Cedar application was discussed and many residents put their objections forward.

However, some residents welcomed the application saying that West Hill needed the facilities and properties that would be provided by the applicant if the plan was successful.

■ **READERS can continue to have their say on the application by Blue Cedar Homes Ltd by voting in the poll at [www.otterystmary-today.co.uk](http://www.otterystmary-today.co.uk). Alternatively, write a letter to the editor of this newspaper**

## Appeal after cycle stolen

**POLICE** in Honiton are appealing for information after a child's mountain bike was stolen from the communal hall at Kendal House, Mead View Road.

The theft took place sometime between 11.59pm on Thursday, August 12th, and 2pm on Friday, August 13th.

The mountain bike is blue in colour.

Anyone with information is asked to contact Honiton police on 08452 777 444 quoting crime number KH/10/630. Alternatively, contact Crimestoppers on 0800 555 111.

## Coffee event rail display

**FENITON** History Group has announced that a forthcoming coffee morning will include a railway display.

Group member Christine Gibbins explained: "Following the very successful event to celebrate 150 years of the railway in Feniton we are holding a coffee morning to allow the displays to be seen by folk who missed the day."

The coffee morning is on Saturday, September 25th in Feniton Village Hall from 10am until 12noon.

## Senior 100th member sign

**HONITON** Senior Council signed up its 100th member at the recent Honiton Agricultural Show.

A certificate and a prize will be presented to the 100th member at the council's annual meeting on Monday, September 13th.

The meeting takes place at 10.30am at the Royal British Legion, Dowell Street, Honiton.

# Pollution over the national guideline

By **ANDERS LARSSON**  
[anders@tindlenews.co.uk](mailto:anders@tindlenews.co.uk)

**ROAD traffic pollution has forced district council officers to recommend that Honiton High Street is declared an Air Quality Management Area (AQMA).**

District councillors are expected to vote in favour of the recommendation when East Devon District Council's Executive Board meets on Wednesday, September 1st.

Because of road traffic pollution levels at the Turks Head junction, it has been recommended to declare the whole of Honiton High Street (from the A35 and A30 junctions at the top of town to the Turks Head A30 junction) an AQMA.

The recommendation will be discussed and voted on at the meeting tomorrow.

The report issued for the meeting does not give precise pollution readings, nor does it say when levels are predicted to exceed national guidelines.

But it does state: "Air quality monitoring has revealed that levels of nitrogen dioxide around the Turks Head junction are likely to exceed national guidelines."

"As a result, the council is required

to declare an AQMA and then carry out a further detailed assessment of existing and likely future air quality in the area.

"In this case, the declaration of the AQMA has arisen because of road traffic pollution."

The report explains that the council must consult with local residents and businesses and work with relevant agencies to prepare an action plan to meet air quality objectives.

It is also explained that the council is legally required to declare an AQMA, and there is a risk of a judicial review if it fails to do so.

The pollution problem has not hit the council out of the blue, though, and work to improve the situation has been going on for some time.

The report added: "Joint working has already begun with regular attendance at Honiton Town Council (Transport and Planning Group) and with representations to our Development Management Committee concerning recent planning applications affecting the area to be designated."

"Discussions have also been initiated with Devon County Highways and the Highways Agency but there are no firm proposals to report at this stage."

## Drivers sought for Trips

**VOLUNTEER** drivers are urgently needed to help a Honiton-based community transport association collect passengers from Lyme Regis.

Trip, based in New Street, provides transport for a range of people including the disabled, older people and youngsters living in rural areas.

Charges for the service is based on the mileage covered and all transport is provided by volunteers who use their own vehicles.

Speaking to *Pulman's View* Neil Hurlock, the manager of Trip, said: "We are getting desperately short of drivers covering the Lyme Regis area and have had to let a couple of

people down this week as we have no drivers available. This is partly due to holidays, partly due to people getting jobs and partly to people having health problems."

"Soon we will be down to one Lyme based driver who can only cover a couple of days. We may be able to get one of our Seaton drivers to cover some of the trips but we are a bit short there as well, plus it costs money to send a driver over as we don't charge the passengers any extra."

Mr Hurlock added: "Trip gets no funding at all towards the cost of providing the Lyme service (we get £780 for the year from Devon

County Council towards the cost of the Honiton and Seaton services).

"We actually had a phone call from someone in Lyme complaining that we couldn't provide a car for Friday, August 27th, and demanding that we sort a car out for him. We couldn't get him to appreciate that the service is provided by volunteers and we are not doing it on a profit basis even though he recognised that the cost for our service is less than half the cost of a taxi."

For more information or to become a volunteer driver, contact the Trip office on 01404 46529. Alternatively visit [www.triptca.org](http://www.triptca.org).

# No further action over bus break

By **ANDERS LARSSON**  
anders@tindlenews.co.uk

**DEVON County Council (DCC) has given its views relating to last week's story about a bus that suffered three engine failures between Honiton and Sidmouth (Pulman's View, August 24th, Coach in Crisis, page 4).**

As reported last week, Stagecoach's 52B service was timetabled to leave Honiton Railway Station at 11.28am on Tuesday, August 17th but arrived about 20 minutes late before suffering the engine failures.

Stagecoach apologised and provided a detailed statement in last week's issue but DCC, which financially supports the Honiton-Sidbury stretch of the service, was unable to meet the deadline.

In response to a question if Stagecoach is obliged to provide a bus fleet of a certain standard, a certain level of service and customer information in exchange for a financial contribution from DCC, a DCC spokesperson said: "Yes. In practice, the Honiton-to-Sidbury supported service is an extension of the commercial service between Exeter, Sidmouth and Sidbury."

When asked if those obligations had been broken as a result of the mishaps on August 17th, the spokesperson said: "Breakdowns do occur. Any breach of contract would be judged according to frequency or seriousness of a breakdown and the operator's response.

"In this case, we will log the incident but will not take further action. Should there be a recurrence and/or an unsatisfactory response, we may act."

At least one passenger made a call to Stagecoach at approximately 11.45am to try and find out what the problem was, but had no success.

DCC was asked if it fears that incidents like this, the poor information in particular, could deter people from using public transport

The spokesperson replied: "We want to avoid anything that undermines passengers' confidence and reliability is crucial.

"For this reason, both in our contracts and in our material encouragement of commercial operations in the form of one-off vehicle grants, we are improving vehicle standards and reliability."

As reported last week, Stagecoach has acted to improve information to passengers in any future cases like this.

# TEENAGE GIRL DIES IN CRASH

By **BEN MIDDLETON**  
ben@tindlenews.co.uk

**A HONITON teenager died following a multi-car crash on the A30 near Monkton.**

The girl has been named by police

as Zoe Danielle Spiller.

All three emergency services attended the incident just before 9.30am on Wednesday last.

A spokesman for Devon and Cornwall Police said: "Police were called to the scene at around 9.25am following reports of a collision on the London-bound carriageway.

"There were three vehicles involved in the collision — a light goods vehicle (LGV) travelling towards Exeter, a Vauxhall Astra travelling towards London and a black Renault Clio travelling towards Exeter.

"The drivers of all three were the sole occupants. Police have confirmed that the female driver of the Clio died at the scene as a result of injuries sustained in the collision. Police have formally named the deceased as 18-year-old Zoe Danielle Spiller.

"The female driver of the Astra and the male driver of the LGV were checked out by ambulance staff and were unharmed."

A spokesman for Devon and Somerset Fire and Rescue Service added: "Two appliances from Honiton were mobilised to reports of a road traffic collision with persons trapped on the A30, two miles from Honiton. "This was a road traffic collision involving two private cars and one LGV, one female was reported as being seriously injured. The crews used small tools at the incident to make the vehicles safe."

The road was closed for nearly eight hours as officers investigating the crash tried to piece together what happened. As a result of the road closure several miles of traffic built up and motorists were advised to avoid the area. A diversion was put in place and took motorists through Chard and Axminster.

The police spokesman added: "Police investigators are appealing for witnesses who were on the Exeter-bound carriageway and who remember seeing the black Clio along

that stretch of road.

"Officers investigating the fatal road traffic collision that occurred on the A30 at Yard Cross, near Monkton, are aware that a number of vehicles were travelling along the A30 towards Honiton from the direction of the Devon and Somerset border at the time of the collision.

"These vehicles were travelling directly behind the Renault Clio when it was involved in the collision with the goods vehicle travelling in the opposite direction away from Honiton.

"The drivers and passengers within these vehicles are key to the investigation and police would like to hear from these drivers and passengers or anyone else who may be able to assist with this inquiry."

Anyone who witnessed the collision, or the events leading up to it, is asked to contact police on 08452 777 444 quoting log number 219 of August 25th.

# LOCAL CLIFFS ROCK IN SPACE

By BEN MIDDLETON

[ben@findlenews.co.uk](mailto:ben@findlenews.co.uk)

**BACTERIA** samples taken from cliffs in an east Devon fishing village have survived for 553 days in space.

The microbes were taken from Beer and were put onto the outside of the International Space Station to see how they would cope in the conditions that exist above the Earth's atmosphere.

During their time in space the bacteria have been exposed to extreme ultraviolet light, cosmic rays and violent changes in temperature.

Scientists from the Open University inspected the samples when they returned to terra firma and found that many were still alive and intact.

The experiment was carried out to find microbes that could be useful to future astronauts who travel beyond low-Earth orbit to explore the rest of the Solar System.

Speaking to Pulman's View from an Open University lab in Milton Keynes, Charles Cockell, professor of microbiology and lead scientist for the project, said: "The fishing village of Beer may not seem like an extreme environment, but the surfaces of the cliffs there are exposed to desiccation, solar radiation, salt and freshwater.

"We selected the samples from Beer for two reasons. First of all the rocks are an extreme

environment, they contain diverse photosynthetic organisms and we thought these would be good microbes to send into space. Photosynthesis provides the basis for a productive biosphere and so understanding its ability to be transferred between planets is of great interest.

"We were already studying the microbes in these cliffs when the experiment first came about so we had a good idea already of what was in the rocks.

"By studying the effects of space on these organisms we can begin to build up a picture of how life may transfer between planets."

Professor Cockell said that when the Open University team sent the Beer rock to space the scientists had no idea which, if any, of the microbes would make it back to Earth alive.

The surviving bugs have been classified as OU-20.

The professor added: "We sent 16 samples from Beer into space so there was some replication.

"They are being analysed and it is still quite early at the minute. We are looking to see if we get novel types of microbes.

"So far the rocks have yielded a single species of cyanobacterium. This organism yields new insights into the tolerance of life to environmental extremes and will also find application in space exploration and settlement, such as for example in oxygen production and rock processing."

# Celebrations despite exam 'dumb down'

By **ANDERS LARSSON & BEN MIDDLETON**

**AXE Valley Community College headteacher Martin Smith would not let the annual 'dumbing down' debate spoil celebrations as his college beat its own GCSE record by some margin.**

No less than 76 per cent of students achieved at least five A\* to C grades, breaking the previous best of 69 per cent set in 2009.

In addition, 66 per cent achieved five A\* to C including English and maths, the previous best being 54 per cent from 2008.

When asked what he would say to anyone who suggested the splendid results were in part due to the alleged 'dumbing down' of exams, he said: "The annual debate about 'dumbing down' of exams does not match my experience.

"For instance, the maths exam has arguably been made harder this year because coursework is no longer part of the GCSE course and yet our students' results in maths have improved significantly.

"The improvements stem from schools and colleges focusing on standards, high quality teaching and a lot of hard work from students and staff."

About the students he said: "They have proved a very able year group and in many cases have exceeded expectations across a wide range of subjects." He pointed out that 78 per cent achieved A\* to C in GCSE

maths, 89 per cent in GCSE English literature, 93 per cent in GCSE ICT, 89 per cent in GCSE physics, 83 per cent in GCSE textiles and 66 per cent in GCSE art and design.

Mr Smith concluded: "These results are a massive step forward for the college.

"We have focused relentlessly on driving up standards through expecting the best from every student and providing high quality teaching and support.

"We are an ambitious college and these results, combined with a successful recent Ofsted report, show that we are making rapid progress. Year 11 has performed superbly and I am immensely proud of their achievement. Congratulations to students on these wonderful results. I would also like to thank staff for their sheer hard work in supporting students and to parents for their support."

Among the highest performing students were:

Stephen Smith-Wild (2A\*,8As,1Bs,2Cs), Andrew Davies (1A\*,9As,2Bs,1C), Rowena Trott (10As,1B,2Cs), Callum Henagulph (10As,2Cs), Holly Adeyemo (9As,3Bs,1C), Adam Kana-Ah (9As,2Bs,1C), Mark Ricketts (9As,3Bs,1C), Ellis Bee (8As,3Bs,2Cs).

Colyton Grammar School recorded another successful set of GCSE results with 85 per cent of all GCSEs awarded being A\* or A grades.

At Colyton, all students take their GCSEs at the end of year ten, and >>>

◆ **SOME** of the students at Honiton Community College who received their GCSE results on Tuesday are pictured, above, with headteacher Glenn Smith. The King's School students, below from left, Glenn Chandler, Emily Light and Kate Atherton and, bottom from left, Ben Bendle and Ben Daw

the school had its own magnificent seven, students who achieved A\*s in all eleven subjects that they studied.

They were: Sarah Clarke (from Sidmouth), Mark Collett (Uplyme), Hannah Cook (Dunchideock), Bethany Durrant (Stockland), Tom Hunt (Chard), Clodagh Krasucki (Chard) and Blathnaid McCullagh (Offwell).

Headteacher Paul Evans said: "These are another excellent set of results across the whole year group.

"I'm very pleased with all the successes and congratulate every student on their achievement.

"As well as the 'high fliers', it's good to see the people who through hard work and determination have met or exceeded their personal targets.

"I'm also grateful to staff who have worked hard to support students to do so well."

Students and staff at Honiton Community College have been celebrating a record set of GCSE results at the college.

The results, released on Tuesday last, showed that 58 per cent of the students who were taking their exams at Honiton achieved five or more A\* to C grades including English and Maths, and 68 per cent achieved five or more A\* to C.

Glenn Smith, principal at Honiton Community College, said: "This year's students produced the college's best ever set of GCSE grades. Their achievement places them in the government's highest performing category for schools nationally, in terms of value added success and makes them one of the most improved schools in Devon.

"The performance of our students puts us in the top 25 per cent of schools nationally and within the top five per cent of Devon schools, and I am very proud of them."

Mr Smith added: "The data shows that Honiton Community College adds real value to the education of its students. We set ambitious and aspirational targets for all our students and we have achieved them for the 2010 year group.

"We are a comprehensive school that believes we should assist students of all academic abilities, and provide the necessary resources so that they can maximise their potential. We really believe in our "Success for All" mission statement.

"The A\* to C figure has risen by 16 per cent on last year but we will not become complacent for one second. The best schools and their staff are never satisfied and constantly motivate students and teachers alike to build on previous

accomplishments.

"The staff have really gone above and beyond this year to support our students in their studies. I would like to thank them for their continued hard work and dedication. I believe that Honiton Community College is a wonderful place to work and study and the really exciting fact is the best is yet to come."

GCSE exam results have improved again at The King's School in Ottery St Mary.

More than 50 students achieved five or more A\* to A grades and senior staff at the school said they were delighted with the results.

Faith Jarrett, headteacher at the Ottery school, said: "Although the GCSE examinations results are still only provisional so far and we will question the exam boards over a number of papers, we are absolutely delighted with the attainment of this year's GCSE students.

"So far 78.4 per cent of students have gained five or more GCSEs at A\* to C and 71.1 per cent gained five

or more grades A\* to C including English and maths which is yet another year on year improvement for us.

"Students excelled across the board with 31 per cent of all grades being A\*/A and 56 per cent of all grades being A\* to B. We are thrilled that 50 students achieved five or more A\* to A grades and 94 per cent achieved at least one A\* to C grade which is our best result ever.

"Many, many students have met or exceeded their target grades in a wide range of traditional courses which coupled with the 100 per cent pass rate for the vocational courses means that every student has achieved at least five or more GCSEs or equivalent.

"These results are obviously the culmination of a great deal of hard work by the students supported by their teachers and families. This level of success certainly gives the students an excellent platform to now move into further education or employment."

## Garden lovers raise £32k

**GREEN-FINGERED** residents across east Devon have helped raise more than £32,000 for Hospiscare.

Hospiscare's Open Garden season has just ended and the profits raised will help patients across the district as well as those in mid Devon and Exeter.

Hospiscare fundraising director Alison Paley said: "Over the spring and summer 27 gardens across Exeter, mid and east Devon have opened their gates to share tea and tips with more than 5,000 visitors.

"This year's programme included a number of new gardens, offering a huge variety from acres surrounding a former mill, to the delights of a secret walled garden with cottage plants and ponds.

"The feedback we have had this year has been wonderful. So many people put such a lot of care and time into this. We cannot thank you enough."

Anyone who would like to be included in next year's Open Garden programme should contact t.skinner@hospiscare.co.uk.

# Blow for those fighting a new centre in town

**CAMPAIGNERS** fighting plans for a community centre in Honiton have been dealt a blow with the news that East Devon District Council's (EDDC) executive board has been told to reconsider its decision to withdraw an offer of land for the proposed centre.

As reported in last week's *Pulman's View from Honiton*, EDDC held a meeting on Thursday, August 19th, and officers recommended that a partnership between the district and town council be reinstated and that the district council makes efforts to find an alternative site for the project if the proposed site at Lace Walk is considered unsuitable.

A further meeting will be held in October when a final decision on the £1.95million is expected to be made. Ken Sherman, the man who instigated a town poll in Honiton asking people if they agreed with the plans for a community centre in the town, said he was disappointed with the news.

Speaking to this newspaper he said: "I don't think anything that we say or do at the minute will change the decision and I think people have

made their mind up one way or the other.

"The meeting [on Thursday, August 19th] was extremely confusing and I have never heard as many people in one room slagging each other off. I couldn't believe what I was hearing and I was flabbergasted by the whole thing.

"I guess we will now have to wait until the meeting in October when the final decision is made.

"I am still hoping that Honiton Town Council will be told to find an alternative site because I think the one that is proposed is totally unsuitable."

Other residents have said they are opposed to the current proposed location of the centre and are also concerned that the results of the town poll had been ignored by the town council.

Following the meeting a spokesman for EDDC said: "The minutes of the special meeting of the overview and scrutiny coordinating committee are being referred to the September 1st meeting of the executive board.

"The recommendations of that meeting will go forward for confirmation by the full council on Wednesday, October 13th."

## Many events at woodland

**OFFWELL** Woodland and Wildlife Trust will be holding a range of events at the Woodland Education Centre in Offwell to celebrate the 2010 International Year of Biodiversity.

The event takes place at the centre on Saturday, September 11th.

Wendy Graham, of Honiton, has organised the event and said: "I have organised a full day's activities for all ages at the centre, you may have already seen some of the posters or fliers around Honiton?"

"I have also been promoting the event at Honiton Charter Day, Honiton Show, Dalwood Fayre and lots of other shows. The mayor of Honiton, Peter Fleming, has kindly agreed to be with us on the day."

Wendy added that she was hoping to have a star name to open the day.

She said: "I am at present just waiting to hear back from an agent to find out if we have a 'name' to start our activities off — I won't say who at the minute as I am not sure it will happen."

## Scheme for village halls

A **VILLAGE** hall and community centre improvement scheme, jointly run by East Devon District Council and the Community Council of Devon, is inviting applications.

Applications can be made for up to £23,000 towards repair or renovations.

An EDDC spokesperson said: "There must be match funding available of at least twice the amount of grant from other sources and/or local fundraising — so for funding of £23,000 you would have to provide £46,000 from elsewhere.

"Submissions have to be in by November 30th, so start thinking now about the improvements you would like to make."

Application information is available online at [www.devonrcc.org.uk/page/village\\_halls.php](http://www.devonrcc.org.uk/page/village_halls.php) or on 01392 383 443.

## Volunteering nominations

**THE** Lord-Lieutenant of Devon, Eric Dancer CBE JP, is asking for nominations for The Queen's Award for Voluntary Service.

Nominations should be received by September 30th and Mr Dancer said: "Voluntary groups in Devon continue to play a pivotal role in the community and in the lives of many individuals.

"Recognising their contribution is vital and I want Devon to express their gratitude to these groups by nominating as many as possible for The Queen's Award for Voluntary Service, the MBE for volunteer groups and highest honour in the voluntary sector."

Forms and more information can be found online at [www.direct.gov.uk/thequeensawardforvoluntaryservice](http://www.direct.gov.uk/thequeensawardforvoluntaryservice) or by calling 020 7781 2397.

## Train event

**FENITON** History Group has announced that a forthcoming coffee morning will include a railway display.

Group member Christine Gibbins explained: "Following the very successful event to celebrate 150 years of the railway in Feniton we are holding a coffee morning to allow the displays to be seen by folk who missed the day."

The coffee morning is on Saturday, September 25th in Feniton Village Hall from 10am until 12 noon.

**LUPPITT-BASED** Otter Brewery will be up against giant companies like Coca Cola, The Co-Operative Group and Unilever in the final of The National Business Awards UK.

The brewery is one of 10 finalists in a category named The Institute of Chartered Accountants in England and Wales (ICAEW) Corporate Responsibility and Sustainability Award.

Otter's state-of-the-art energy-saving brewery, the willow beds designed to treat all waste water, extensive recycling, the family values behind the business and a new eco cellar all helped to earn a place in the final.

Each finalist will make a presentation to the judges next month and the winner will be announced at an award ceremony on November 9th at Grosvenor House Hotel in London.

Patrick McCaig, sales and marketing director at Otter Brewery, said: "Being shortlisted means the world to us and puts us up against some real corporate giants in the form of Coca Cola and Unilever.

"We have spent the last 20 years striving to become as environmentally aware and as socially responsible as possible.

"Mum and Dad's aim when they started back in 1990 was to create something built around real family values that came from the heart.

"It seems all the measures they have introduced, from the willow beds, to the new eco cellar and our continued involvement in the local community, really struck a chord with the judges."

Otter Brewery was founded by David and Mary Ann McCaig and employs 30 people from the local community, including the founders' four sons.

Otter Brewery is up against Alumet Systems (UK), Coca-Cola Enterprises, Commercial, DRP Group, Kestrel Liner Agencies, Morgan Hunt, Redeem, The Co-Operative Group, Unilever.

## 'Thank you for support' as shop opens for the last time

**A CHARITY shop in Honiton opened its doors for the last time on Saturday, August 28th.**

The Oxfam shop has been in the High Street for more than 20 years and has helped raise more than £300,000 for the charity.

Susan Kass, Oxfam operations manager for the west, said: "Perhaps as a result of the current economic climate, and due to the rising cost of utilities with which everyone will be familiar, the running costs of the shop have risen over the last five years quite significantly whilst the sales, despite the best endeavours of the part-time shop manager, the wonderful and dedicated team of volunteers, the generosity of our

donors and the goodwill of our customers, has remained virtually static.

"The result is the business is now considered unviable and had reached a point where there was little option but to take the hard decision to close.

"The intention is now that the freehold premises will be sold, and the money raised will then be re-invested into the Oxfam shop programme within Devon, to continue to raise sustainable funds for the work of Oxfam in relieving poverty and suffering throughout the world.

"Over the last 20 years, the Honiton Oxfam shop has enjoyed a successful history. During this time the generosity of the town has raised over

£300,000 for the essential work of Oxfam in changing lives by working within communities worldwide."

The nearest Oxfam shops to Honiton can now be found in Sidmouth and Exeter.

Susan added: "I know how very disappointed many of you will be, however, this decision was not taken lightly. As the operations manager for the west I can assure you that all relevant factors were carefully considered and taken into account.

"Sadly, however, I think that this is the right decision for Oxfam to make at this time. Finally, my sincere thanks, on behalf of Oxfam for all the wonderful support that has been given to the shop."

# Seaton Carnival Week 2010

Dove Court is a beautiful care home set high up on the hillside with stunning views looking over the Axe valley towards Axmouth and out over Lyme Bay. Inside, the

home is warm and welcoming with a friendly and caring atmosphere.

The staff at Dove Court are caring and compassionate and prepared to go that little bit further when re-

quired. The aim of the staff is not just to support the residents with their basic physical needs but to also provide fun and friendship with the social calendar becoming more important and varied as time goes by.

Moving into a care home can often be seen as the beginning of the end, whereas at Dove Court we like to see it as a new beginning. Gone for our residents are the mundane daily chores of cooking and cleaning. Gone are the lonely days where you are isolated and alone. At Dove Court our residents can use their energy enjoying the freshly prepared meals with no need to do the washing up

at the end! Our residents can enjoy going out and about in our very own 'Dove Bus' with no need to worry about driving or parking. Recent trips in the Dove Bus have included a 'Strictly Come Dancing' evening at Otter Garden Centre, the Southleigh Fete, Connaught Gardens in Sidmouth, Pecorama and the Memory Café amongst others. Our residents can enjoy entertaining their own guests with refreshments being provided by staff so all the resident has to do is sit back and enjoy their visitors' company.

There is a varied social calendar of activities that happen within the home including visiting retailers, musicians and of course the well loved donkeys from the Donkey Sanctuary. Dove Court has its own activities organiser who is always open to further suggestions. Activities can be for individuals or for groups and involvement in activities is the choice of the resident. Our residents' individual wishes and desires are always of the utmost importance.

The home itself is presently being expanded. The new extension will provide 15 new en-suite rooms, eight of which will be larger 'Garden Rooms' with a door leading on to their very own patio. The extension will also provide a new fully fitted kitchen, assisted bathrooms, a large conservatory and extended terrace that will provide the perfect spot to sit and enjoy those beautiful views over Lyme Bay.

# DEPRIVED FIRST GO: 'SECOND CHANCE' FOR BAND

By ANDERS LARSSON

[anders@findlenews.co.uk](mailto:anders@findlenews.co.uk)

THE five members of metal band My Deprivation are hoping to make the most of getting a second chance to reach the really big stage.

Three of the band members — Daniel Pearce, Dan Pratt, Tom Cloud — live in Axminster and they are aided and abetted by Martin Cornell, from Seaton, and Paul Gambier, from Marshwood.

My Deprivation entered the Zimbalam Surface Unsigned Festival which, in short, is a competition for unsigned bands in several European countries.

The band was entered in the UK West section and worked its way through the stages but appeared to have come to a halt after performing in the third stage, officially known as Semi-Final Showcases.

But another band pulled out and My Deprivation is through to the next phase and can still reach the national final in London.

All band members are in their mid-20s and the current line-up has been in place since 2008.

Zimbalam Surface Unsigned Festival employs a point system involving text votes, audience votes, musician votes and industry professional votes.

The system varies a bit for the different competition stages, but My Deprivation vocalist Daniel Pearce said he would like to thank everyone who have supported the band so far.

Apart from trying to get through to the final stage, he outlined the band's ambition by saying: "We will try to write new material and play as many live shows that we can."

The band is well-known on Exeter's club circuit and Daniel appeared quite content with the band's current position.

When asked if the ambition was to one day be able to make a living from the band, he said: "We have always been a group of friends and we enjoy it."

"If anything happens it happens, but we are not going to go hell for leather."

A spokesperson for Zimbalam Surface Unsigned Festival confirmed the band's progress by saying: "My Deprivation will be playing at the West Regional Showcase on September 4th."

"They have been given a second chance due to another band pulling out."

"At the West Regional Showcase, 11 bands will play in front of a panel of independent industry guests."

"Two bands will progress to the National Showcase on September 25th held at the indigoO2 in the O2 Arena, London — where 16 bands from the UK will play."

My Deprivation has just released an EP (extended play) and more information is available online at [www.myspace.com/mydeprivation](http://www.myspace.com/mydeprivation).

TONY JACKSON

## Seaside village haven for birds

MY recent mention of the dramatic decline in greenfinch and chaffinch numbers has elicited some encouraging news from a reader, Sue Dawson.

She tells me that in February of this year she moved from Axminster to Branscombe and that, as members of the Royal Society for the Protection of Birds (RSPB), "we have always fed the birds and noticed before leaving Axminster that chaffinches and greenfinches seemed less in numbers and at that time had not heard of the disease they appear to be suffering from but always tried to keep the bird feeders and water containers clean, always disposing of any bad peanuts or seed".

On relocating to Branscombe, Sue discovered, to her delight, that there are always plenty of chaffinches and a fair number of greenfinches, plus vast numbers of sparrows. In fact, there are also many other bird species, including a cock pheasant who struts round her garden and a bonus of bats. No birds appear to be in distress or unwell and the only danger comes from a local sparrowhawk.

This is indeed encouraging news and shows that there are pockets of resistance. Is it due, I wonder, to the fact that Branscombe is fairly isolated and the local population of finches have not been infected by infiltration? On the other hand, reader Hilary Arnold from Seaton tells me that there has been a total absence of greenfinches and chaffinches in her garden and the only residents are a few sparrows, a robin and one or two blue tits. She tells me that she has been blaming the dearth of garden birds on the fact that her husband has been encouraging a pair of seagulls and there are too many crows! She has also acquired a brace of kittens but can't yet blame them for the situation!

On a more cheerful note, I spent the day at the Melplash Show last Thursday and despite heavy rain the previous day, resulting in mud everywhere, this outstanding agricultural show once again proved that, as far as I'm concerned, it is the leading country show in the region. Sensibly, the show has stuck to its roots and, unlike some country shows, avoided becoming a hucksters' fair. This is a genuine old-fashioned — and all the better for it — country show, with farming and country sports dominating the day. The grand parade of heavy horses, cattle, sheep and goats in the large main arena was outstanding, as too was the parade of hounds laid on by the Seavinton Foxhounds, the Cattistock and the Park Beagles. There was, of course, show-jumping, an inter-hunt jumping competition and a heart-stopping display of trick motorcycling by the White Helmets team plus, of course, doggy events, farm machinery and a mouth-watering food tent.

By courtesy of the show's president this year, Marcus Beresford, my wife Charlotte (a joint-master of Seavinton Foxhounds) and I were invited to join the great and good in the Members' Pavilion and very jolly it was too!

A reminder that Dorset Wildlife Trust's annual Walk for Wildlife takes place on Sunday, September 19th with a choice of three route lengths. Distances range from 5.8 miles up to a challenging 24 miles and all walks start and finish at the MGF Animal Sanctuary in Church Knowle, Purbeck. Walkers are encouraged to raise sponsorship for Dorset's wildlife and there is even a special sponsorship form for dogs!

The routes chosen take in some of the finest scenery in Britain, with spectacular views of the Jurassic coast. For those intrepid souls who fancy the 24 mile trek the route takes in Corfe Common, the Purbeck Way, Worth Matravers, The Priests Way and part of the South-West Coast Path, but the shorter routes include Swyre Head, Kimmeridge village, Stomehill Down and, for the 10 mile stretch, a section of the Coast path. For entry details contact DWT on 01305 264620 or go to [www.dorsetwildlifetrust.org.uk/w4w](http://www.dorsetwildlifetrust.org.uk/w4w).

### September is PET SMILE month

During September, we are offering **FREE** dental check ups for your pet.

A frighteningly high % of our pets have tooth and gum disease.

This means that they are walking around with infection and inflammation in their mouths. Not only is there infection in the mouth - but it can spread to affect the whole body. Your vet knows that a combined approach to dental care is required. Simply using a chew is not enough. Proper prophylaxis and cleaning followed by a combined preventive approach (ideally including brushing) is the best way forward.

It is important to remember that most **dental disease is treatable**. Certainly the vast majority of the disease is preventable.

Prevention of dental disease is better than treatment. Veterinary Dentistry is all about making pets healthier and happier and seeing the benefits that this brings to our pets and their relationships with their owners.

## Wellington School

Why do so many families choose to send their children to Wellington School? Is it because of its consistently good academic results (this year 75% of our A level grades were at A\* -B)? Or perhaps its highly acclaimed reputation for music and theatre, sport and outdoor activities? Or maybe it is the realistic fees that make independent education a very real possibility or the exten-

sive school bus routes throughout Devon and Somerset (including a popular Honiton run) that make getting to and fro so easy? Or is it, as so many prospective parents say, the welcoming atmosphere they feel on first entering the School and the evident enthusiasm for learning seen in every classroom from the youngest in the Junior School right through to the Sixth Form?

The ethos of Wellington School is simple; that each and every pupil should be helped and encouraged to develop his or her own particular talents to the full. Traditional values of hard work, good behaviour and unpretentious manners are held in high esteem, complemented by the total commitment of the staff to the individual needs, personal welfare and happiness of every single pupil.

If you can spare an hour or so on Saturday 25 September, why not pop along with your family to our Open Morning? Both the Junior School and the Senior School will be open between 9.30am and 12noon so why not come and see what makes Wellington so special. For directions, see our website [www.wellington-school.org.uk](http://www.wellington-school.org.uk)

## Exeter School

Exeter School is a happy and lively place to be. It has an excellent record of academic success and in 2010 was listed as the highest ranking school in Devon in the Financial Times' "Top 1000 School's" league table. Its extra-curricular programme, with around 30 clubs, provides something for everyone and the school is especially proud of its excellent music and drama departments which stage a number of major performances throughout the year.

The 25-acre site is well equipped with a range of first class sports facilities. In addition to large playing fields and all-weather courts, it also boasts a

heated outdoor pool and sports hall with squash courts, fitness suite and dance studio. Pupils can join the school's Combined Cadet Force as

well as taking part in various outdoor pursuits, trips and expeditions. Exeter School life is all about enjoyment and success, be it aca-

demic, artistic, cultural or sporting.

Exeter School next Open Evening is on 22 September 2010 from 6 - 8.30pm.

## It Pays To Keep Learning

Got your GCSE results? Phone the Exam Results Helpline on 0808 100 8000 for advice

After Year 11, you have a lot more choice about what you want to do.

Whichever route you choose, it pays to keep learning. More and more, employers are looking for people with higher level skills and qualifications.

Although qualifications

cannot guarantee you a job, people with the right skills and qualifications have a better chance of finding a job with good prospects and more money. They may also have more job security.

### Making plans in Year 11

If you've got a particular career in mind, it's also worth finding out if you need to have specific qualifications, skills or experience. See 'Finding a career that's right for you' for

more on career planning. **Which route should you follow?**

There are lots of different ways of gaining further qualifications, skills or work experience - and the range of options is growing. **You could:**

- continue in full-time education, either at school or college

- continue your learning through work-based training

If you're aged 16 or 17 and coming towards the end of a school or college course, the 'September Guarantee' means that you'll definitely be able to continue learning.

Everyone in this age group due to leave education is guaranteed an offer of a place on an appropriate course - and information, advice and guidance to help weigh up their options.

### Staying in full-time education

You'll find a much wider range of subjects and qualifications than you've been able to choose from up until now.

As well as A levels, you can choose from a growing range of work-related qualifications. Selected schools and colleges are also offering the Diploma qualification for 14 to 19-year-olds.

Depending on what you want to study, you could decide to stay on at school, or go to a sixth form college, specialist college or further education college.

If you have a disability or learning difficulty, it's also worth checking how your school or college could pro-

vide extra help to ensure that you are assessed fairly. **Learning at work**

If you want to start work, it's important to pick a job that offers you planned training leading to a nationally recognised qualification.

There are lots of ways to improve your skills and get qualifications, from Apprenticeships to the 'Entry to Employment' scheme. As an alternative, you may be entitled to 'Time off for Study or Training'.

### Getting work experience

When you've finished your studies, you could consider taking time out before going on to higher education. Voluntary work, travel and working abroad can all be ways of gaining valuable experience.

### Routes into university and higher education

By continuing with full-time learning or starting an Apprenticeship, you can take important steps towards qualifying for a higher education course.

### People who know you best

Once you're armed with expert advice, it can be useful to talk over your options with the people who know you best - family and friends.

In the end, you'll have the best idea of what's right for you. If you're planning to work towards a particular career or higher education course, don't be put off just because it means taking a different direction from friends or family members.

## Back to School

As soon as summer starts to wind down, it is time to purchase the essentials you need to get your child ready for another (or even a first) year of school. Making "preparing for school" into an event that the whole family enjoys will help your child feel ready—and also show them that you are interested and involved with their education. Take some time in the weeks leading up to the big day, and plan a few outings and activities to be sure you both are ready. Try a few of the tips below to get started:

- Buy a new backpack and lunchbox. Even if your child has a backpack left over from last year, you may want to invest in a new one—you can still keep the old one for long car trips or sleepovers. Your child's taste may have changed over the last year, and the new backpack and lunchbox can reflect their "new" style.
- Shop together for school supplies: Most schools will provide you with a list of items that your child will need for classroom use, or will need to contribute to the classroom. Make an even of shopping for these together, and check each item off your list as you find it. Most big box retailers offer great "back to school" promotions during the latter half of August, so shop around for the best deals.
- Buy new shoes: Pick up a new pair of shoes. Chances are, if you purchased shoes during the

prior school year they have either gotten too small, or are simply too worn to start a new year. Many stores offer back to school savings, so it is a good time to stock up.

- Visit the school in advance: If your child will be attending a new school for the first time, or is going into Pre-School, you should try to visit the school in advance, so he or she can take a look around. Take some time to play on the playground, if it is open, and drive by the entrances and car-pool or bus drop off so your child will know exactly where she is headed on the first day.
  - Make a countdown calendar: Keep track of the days with a calendar, and count down the number of days till the big day together. Younger children will enjoy making a paper chain, and tearing off one "link" per day.
  - Talk about school: For returning students, talk about what teachers or specials they may have in the upcoming year. For new students, talk about the fun things you do in school, and read books that feature characters going to school, or that are set in school environments.
- Plan ahead and you will both be ready for the big day. If you work outside the home, consider taking the first day of school off—you will be ready for the break, and you will be better able to help your child get ready that first hectic morning if you are not concerned about your own schedule.

## Axe Yacht Club

The Axe Yacht Club was founded in 1936 with the prime objective of providing and encouraging water sports, particularly sailing. Facilities have gradually been improved over the years so that pontoon moorings are now available to give walk-on access to boats at all times in the tidal estuary and good slipway access to pontoons to assist trailored boats during launch and recovery. The dinghy sailors have a winch to enable launch and recovery from the beach. When tide and weather conditions are suitable, you will see cruisers, dinghies, recreational and fishing boats making full use of the Seaton Bay with some water skiing, and the bigger boats going off to local ports and even across the Channel. Visit our website on [axe-yachtclub.co.uk](http://axe-yachtclub.co.uk).

The club has also been a Royal Yachting Association centre for shore-based training for many years. This years prospectus includes the Day Skipper and Coastal Skipper / Yachtmaster winter evening courses, together with a developing range of one

day marine courses to begin in the spring. These will include: RYA Basic Navigation & Safety, Diesel Engine Maintenance, Marine VHF and First Aid at Sea. For more details or to enrol, contact Sandra Walker on 01297 20866 or by e-mail: [ayc.courses@tiscali.co.uk](mailto:ayc.courses@tiscali.co.uk).

View from  
the churches

With Nigel Speller

**UPOTTERY Church in the north of our area comes into view this week with a Choral Concert of Songs from Britain and the United States on September 25th at 7.30pm, presented by the Music Makers of London.**

Tickets are £12 and available on 01404 861160 which includes a glass of wine and a buffet before the concert at 6.30pm. Buses will run from and to Dunkeswell and Honiton.

Christians Together in Seaton and district has just circulated its guide to all its churches for 2010. Regular service times in all churches appear as well as special events.

On September 1st at St Gregory's Church is the Carers Service, followed by tea and music in the hall. Later, in October, comes One World Week, and in December carol singing round Seaton town.

Reminders about Bible Sunday have reached us — which this year falls on October 24th — or on a suitable local date. Free packs with DVD and CD of all materials are available from [biblesunday.org](http://biblesunday.org) or 01793 418222.

Calling all churchwardens in Exeter Diocese — a briefing session, of 90 minutes, for old and new wardens will be held by the Archdeacon of Exeter at the Old Deanery Great Hall on September 16th starting at 7.30pm. Bookings not needed.

As a preliminary to the Pope's visit, there is interesting news about the Catholic Priesthood in UK which numbers about 3,600. Like other churches, numbers of ordinands have been falling and in 2008 was only 15, but now it appears to be recovering with 28 new priests expected in 2013, rising to an estimated 40 in the years after that.

The actual visit begins in Scotland on September 16th, and moves south towards the end of the week reaching London at the weekend. On the Saturday, the Pope will be at Westminster Abbey where Canon Jane Hedges — now a Canon on Westminster, but formerly Rector of St Paul's Honiton — will also be. Much of the Pope's travelling on such visits is in a modified Mercedes 'Popemobile' with bulletproof windows, roof and panels. This type of vehicle was introduced after Pope John Paul II was wounded by a gunman in Rome in 1981.

Canon Jane Hedges is also meeting up with people from east Devon together with others from Portsmouth and Westminster, for one of the final performances of this year's Oberammergau Passion Play, performed by the villagers once every 10 years as a token of thanksgiving for relief from the plague in the Middle Ages.

For members of Anglican Deanery Synods, September is the month when they will receive ballot papers for elections for the Church of England General Synod (often referred to as the church's parliament).

A low turnout in 2005 deprived the General Synod of a genuine mandate. It is important therefore that ballot papers are filled in.

Voting is simple in that the voter only needs to number the candidates in order of preference and votes are transferred to choices in the count and therefore no votes are wasted. This is called the Single Transferable Vote system and has been in church use for some 40 years.

September is the month for

carnivals in east Devon and September 4th sees the start of Colyton Carnival Week, concluding on September 12th at 2.30pm with Songs of Praise with Lyme Regis Town Band on the church green.

Harvest festivals are now in the diary and September 19th sees Branscombe and Southleigh having their services at 11.15am and Colyford is on the same day at 3.30pm. Then into October comes Colyton at 9.45am and Musbury at 3pm on October 3rd. On October 2nd, there is a harvest supper at St Andrew's Hall Colyton at 7pm — tickets needed in advance from Haynes Hardware, Colyton.

News came this week from an unusual quarter for this column — of two unorthodox priests who are finding new ways to attract younger congregations.

Don Roberto Fiscer has been enthraling young sun-worshippers at Arenzano's San Petro resort, Italy, every Wednesday this summer with his DJ mix of dance hits and remixed religious music.

"Music is what young people like the most. Through music, Jesus reaches their hearts," the 33-year-old ex-cruise ship entertainer says. And while his congregation makes its dance moves, Hungarian priest Rev Zoltan Lendvai has been showcasing his skateboard skills to 170,000 YouTube viewers. A video of the skateboarding cleric follows a successful local ministry to teenagers who began attending his village church in Redics after he revealed his mastery of a board there.

"Many times I have felt that this is the way I can bring many people a bit closer to Jesus," he explained.

## Car boot lost photo search

**ALAN and Ann Spencer, of Axminster, are hoping to find the rightful owner of a set of photos they came across at a car boot sale.**

Alan and Ann are both anxious to reunite the photos with their rightful owner and said: We opened it up [the box] and said 'hello, what's this'?

Anyone who think they the photos belong to them, or recognise someone in the photo featured, can call Alan and Ann on 01297 631151

They visited the car boot sale at Rousdon and bought a box with what they thought were empty, red photo albums.

But on closer inspection they had unknowingly also acquired a bundle of photos.

The photos - possibly - from the mid 90s, are taken in numerous different settings and feature, for example, a boy in a school uniform, what seems to be an office leaving do, people at a pub called Pimhall and at a place called Old Smithy Restaurant & Coffee House.

THE BEST FOR QUALITY AND VALUE IN THE SOUTH WEST

## A quality five bedroom bungalow with superb sea views

**10 SOMERS FIELD, LYME REGIS, DORSET DT7 3EZ**  
**GUIDE PRICE: £ 695,000**

A good quality 5- bedroomed detached bungalow in about 1/2 acre quietly tucked away at the end of a select cul-de-sac. Superb sea, coastal and country views.

**SUMMARY**  
Ground Floor: Reception Hall, Inner Hall, Living Room, Dining Room, fitted Kitchen, Hobbies Room, Cloakroom/W.c., 3 double Bedrooms, Bathroom/W.c.  
First Floor: 2 Bedrooms (both with Ensuite Shower Room/W.c.) UPVC double glazed windows. Gas fired central heating.

Outside: Integral double garage and workshop/Store. Extensive gardens adjoining farmland on two sides. In all about 1/2 acre.

The property comprises a good quality detached bungalow built about 1970 of cavity walls, rendered externally with re-constituted stone features all beneath a tiled roof.

Since the current owners purchased the property in 2003 it has been comprehensively refurbished and improved including conversion of the large roof space into 2 double Ensuite Bedrooms.

A particular feature is the magnificent, panoramic outlook which takes in views of the sea and Dorset coastline from Lyme Regis to Portland Bill and inland across undulating countryside.

The property is set amidst very private mature gardens quietly tucked away at the end of a cul-de-sac in a highly sought after residential area on the favoured western side of Lyme Regis, within just a mile or so of the shops and seafront. There is farmland to the rear and one side of the property, very much giving the impression that it is situated in the heart of the countryside.

Lyme Regis is a picturesque coastal town noted for its many character buildings, centuries old Cobb Harbour and unspoilt surrounding countryside. The town centre provides good shopping facilities for day to day needs and the larger centres of Taunton and Exeter are both about 28 miles away. There is a main line railway station at Axminster (6 miles inland). In Lyme Regis there is also a sailing club, bowls, golf course, theatre, cinema and numerous local societies.

The town is situated on the beautiful and unspoilt Devon and Dorset 'Jurassic Coast' awarded World Heritage Site status by UNESCO in December 2001.

The accommodation comprises:

**ON THE GROUND FLOOR**

UPVC double glazed sliding door to:  
**RECEPTION HALL** - about 17'3" x 8' overall Coved ceiling, radiator, glazed doors to Living Room. Pine stairs to first floor. Archway to:

**INNER HALL**

Radiator. Stairs rising to higher landing with bedrooms off and stairs descending to integral garage.

**LIVING ROOM** - about 20' x 15'4" (6.10m. x 4.67m.) Dual aspect uPVC double glazed windows including square bay window to front with window seat and panoramic sea and coastal views. Coved ceiling. 2 double radiators.

Note: all windows are uPVC double glazed on the ground floor and double glazed 'Velux' roof lights on the first floor.

Archway to:

**DINING ROOM** - about 12'4" x 11' (3.76m. x 3.35m.) Double radiator. Coved ceiling. Door to:

**KITCHEN** - about 12' x 11'4" (3.66m. x 3.45m.) Fitted with a good range of modern units including base and wall cupboards, laminate worktops, integral 'Neff' 5 ring gas hob with hood over and double electric oven, 1 1/2 bowl acrylic sink unit, 'Neff' dishwasher, 'Whirlpool' American style fridge/freezer, laminate floor. Square arch to:

**HOBBIES ROOM** - about 11'6" x 10'4" (3.51m. x 3.15m.) Radiator, 'Glow-worm' gas fired central heating boiler, laminate floor, large worktop, airing cupboard with 'Mega Flow' pressurized hot water cylinder. Doors to Rear Porch and **CLOAKROOM** W.c. and hand basin, part tiled walls and ladder style towel rail.

Off Inner Hall there is a short flight of stairs to the upper ground floor and also door to:

**BEDROOM 5 / STUDY** - about 15'5" x 11'3" (4.7m. x 3.43m.) sea and coastal views

Radiator.

**UPPER GROUND FLOOR LANDING** with useful built-in shelved cupboard.

**BEDROOM 3** - about 15'10" x 11' (4.83m. x 3.55m. max.) Dual aspect with both sea and country views. Radiator.

**BEDROOM 4** - about 16' x 11'4" (4.88m. x 3.45m.) max. Country views. Radiator.

**BATHROOM** - about 10'6" x 8' (3.20m. x 2.44m.)

Corner bath (a Jacuzzi style air bath), hand basin and w.c. with 'Corian' work surface with cupboards below, mirrored cabinet with light and shaver point, 2 further wall cupboards. 'Matki' shower cubicle with Aqualisa shower unit. Ladder style towel rail, tiled floor. Fully tiled walls and floor.

**ON THE FIRST FLOOR** (stairs off Reception Hall)

**PART GALLERIED LANDING** - about 12' x 8' (3.66m. x 2.44m.) overall

Note: First floor rooms have sloping ceilings.

**BEDROOM 1** - about 13'4" (19'10" overall) x 12' (4.06m. [6.05m. overall] x 3.66m.)

Stunning sea and coastal views from three large 'Velux' roof lights. Radiator.

**EN SUITE SHOWER ROOM**  
Tiled shower cubicle with 'Aqualisa' shower unit, hand basin with cupboards below, w.c., 'Velux' roof light, ladder style towel rail.

**BEDROOM 2** - about 12'11" x 10'2" (15'10" overall) [3.68m. x 3.10m. [4.83m. overall]

Door and stairs to living accommodation. Light and power points, window, tap, up and over door. Door to:

**WORKSHOP/STORE** - about 16' x 11'6" (4.88m. x 3.51m.) Incorporating walk-in store. Side window, light and power.

From Somers Field a long tarmac driveway sweeps down to the bungalow leading to a parking area and the garage.

There are lawned areas either side of the drive and a shrubbery. Pathways and pedestrian gates to both side of the property give access to the rear garden.

The main garden area lies to the rear of the bungalow. It is unusually secluded and quiet and abuts farmland to two sides where it is enclosed by walling.

There are extensive lawned areas, paved patio, shrubberies and a variety of trees including some fruit trees. The whole is informally estimated at 1/2 acre.

**DIRECTIONS**

From the town centre proceed up Broad Street, into Pound Street and the Sidmouth Road. Almost at the top of the hill turn right into Somers Road which leads into Somers Field. Where the road forks bear left and the drive down to No. 10 is on the right.

## Honiton based family business goes from strength to strength

Now entering their 4th year of trading, the partners of Honiton based Red Homes Lettings Steve & Angela report continued success in what has become a very competitive rental market. Despite an influx over the past 2 to 3 years of new start letting agencies together with traditional estate agents now offering a letting service, husband and wife team Steve & Angela have established themselves as one of East Devon's leading independent letting specialists.

We are a local family run business specialising in the letting and management of residential property in the East Devon area. Our success is largely due to our ability to offer a truly one to one service which recognises the individual needs of our landlord and tenant clients. We never lose sight of the fact that our customers have a choice, so by exceeding our customer's expectations and delivering a superior service every time, we establish long term business relationships which is mutually beneficial.

Most letting agents will offer a similar service but the difference in competency, professionalism, ethics and of course cost will vary considerably. We believe in providing a comprehensive service at a fair cost, we do not have expensive high street premises to maintain so can truly offer very competitive service.

Red Homes Lettings have seen their client base increase month on month as more landlords and tenants appreciate the benefits of dealing with a family run business where customer satisfaction is paramount and a personal one to one service is guaranteed.

So, whether you are considering a tenant find only or a fully managed service why not give Steve and Angela a ring to discuss your requirements and see for yourself why more and more landlords are trusting their properties to Red Homes Lettings.

Blue View is an exciting new development of 14 exclusive, large, 4 and 5 bedroom detached houses built by Cavanna Homes. These high specification homes will be finished to an impressive standard: all come with a garage, most with a double garage, and all benefit from integrated appliances, contemporary fitted kitchens and bathrooms. These modern homes provide low maintenance, energy efficient living, all with fitted smoke alarms, double glazed windows and NACOS approved alarm systems. The elevated position of these quality homes means the site itself enjoys a privileged view across Lyme Bay.

## 'Salsa fit' for Christmas!

IF you're feeling a bit out of condition after the Summer holidays and want to tone up in time for the party season, why not try a NEW fantastic Salsa Aerobics class – SalsaDX. This hi-energy 1hr workout, which combines dance footwork with aerobic upper body movements, targets problem areas e.g. 'muffin tops' hips, legs and bums, and starts the week commencing 6 Sep. Ideal for working off those extra pounds, a SalsaDX class can burn up to 600 cal/hr!

SalsaDX was created by Salsa addicts Sonja Heigl, and Angus Peters, whose enthusiasm and love of all things Salsa; combined with a passion to show others a more exciting way to get fit; make the routines easy to follow and - with the hot Latino rhythms - great fun to learn! The classes are also in line with the Government's recommendations that dance-based workouts are great for increasing fitness and energy levels! All of this combines to give you a full workout for the body and mind, suitable for most abilities and guaranteed to put a smile on your face!

Classes are held in sports centres and halls all over Devon, including Axminster, Feniton, Honiton, Ottery St Mary, Sidmouth and Stockland.- see advert for details of your nearest class.

There are some daytime sessions which are specifically timed to coincide with nursery and pre-school sessions, so are perfect for busy Mums who deserve a little well-earned 'me time' in a relaxed and friendly environment! There's even time for a coffee and chat after class, before 'pick-up' time. The evening sessions are ideal if you want a good workout after a hectic day at the of-

fice!

Sonja says 'Absolutely no previous dance experience is needed for a SalsaDX class, we'll teach you all you need to know; however you will need a reasonable level of fitness and agility to enjoy the class to the max! We recommend you wear the usual aerobic style clothing and trainers to start with, though you may want to try shoes with a more 'slippy' sole (e.g. jazz shoes) as you get more experienced.'

Most classes are taught in 6/week blocks of sessions costing £25, though if you're not sure it's for you, come and try the 1st session for £5, then only pay the balance if you enjoy!

So tell your friends and call or email ASAP to reserve places and avoid disappointment, as class numbers are limited to room capacity.

## Nicky's loss is inspiration to Slimming World group

JUST less than a year ago Nicky Maynard walked into the Honiton Slimming World group a little nervous and unsure. Almost a year later and Nicky has achieved her target weight by losing 3 stone by eating healthily and following the new Food Optimising Extra Easy plan which allows members to eat as much as they like of foods such as meat, poultry and fish, together with pasta, potatoes, rice and plenty of fruit and veg. Nicky was also allowed to continue eating her beloved crisps as her treat most days.

Nicky joined Slimming World after a few months of plucking up the courage. What made her go in the end was seeing an old photo of herself in her slimmer days. "I didn't recognise myself - in fact I had to ask my husband if it was me! Since joining I haven't looked back, and my husband is enjoying the new me as I feel good about myself."

In June of this year Nicky was voted the group's top target member which was well earned. Nicky's Consultant, Sharon, says "Nicky is such an asset in group. I could tell the night she hit target she wanted to get up and run round the room - she was so excited! She is most encouraging to other members now and gives out some great advice to help them, and I am so happy to have played a part in turning Nicky's life around in this respect".

Nicky is a keen dancer and incorporated the Slimming World Body Magic plan into her daily routine. The plan encourages members to do a small amount of activity during the week to help promote the weight loss. Nicky says "I do ballroom, latin, sequence and latin DX dancing and I don't get breathless anymore. I can even do the Jive without feeling my heart is in my mouth!!!!"

"I have tried other plans in the past but Slimming World suits me as I don't need to worry about how much I am eating as I don't need to weigh or measure anything. The plan is with me for life now. It's how I choose and eat my food, and I love it. I would recommend it to anyone who is serious about changing their eating habits and their future". "I still can't believe what I have achieved and still look in the mirror and smile to myself. I will say though that once you have reached your target it's great to still go to group as the support is the key to my success and it's a bonus that so long as I stay in target I don't need to pay!"

Nicky attends the Tuesday evening session which is held at 6.30pm at the Honiton Community College. There are other groups available in Honiton on Wednesdays at 10.15am and 12pm at the Honiton Baptist Church. Please call Sharon for any further information on 07963337178.

## Focus RS500 slows down to join Ford history

THE FIRST example of Ford's fastest selling performance car in the UK is set for a slower pace of life after joining the company's heritage collection.

The Focus RS500 was unveiled as a limited-edition model of 500 retail units plus 12 models produced for demonstration and press purposes. Just 101 right-hand drive Focus RS500 models were available in the UK and they sold out within days of being launched.

The first right-hand drive press unit in the UK, number PR001, has featured widely in motoring magazines and will now join the company's Essex-based fleet of heritage vehicles at Dagenham. Sitting

alongside such icons as the 1970 London to Mexico winning Ford Escort, the Ford RS200 and the 2005 Ford GT supercar, the Ford Focus RS500 will be put on public display at motor shows and Ford dealers.

Ford corporate affairs manager, Brian Bennett, said: "The heritage collection is the largest collection of roadworthy historic Ford vehicles in the UK and includes some of the industry's most famous vehicles such as the Ford Model T and the Ford Cortina. Performance models feature strongly and the Ford Focus RS500 was an obvious choice to include as a future classic."

## THE BIGGEST AND THE BEST COVERAGE OF LOCAL SPORT

### RUGBY ROUND-UP

with Keith Jenkin

## NEW RUGBY SEASON KICKS OFF THIS WEEKEND

IT'S BEEN 'Once more into the breach, dear friends! Once more!' as far as local rugby is concerned in recent weeks. Cobwebs have been well and truly brushed from boots, and training, initially light, and subsequently more serious, is for most local clubs, well under way.

There have been several warm up games played too and I took myself off to the Denning Field a few days ago to watch visitors HONITON take on CHARD.

On the way to the ground I found myself pondering on last season's performances of the two clubs and these really differed in the extreme for, while CHARD, after a rather scruffy beginning to their campaign, got things together and climbed the Somerset Premier league table into a play off place before falling at the final hurdle; HONITON did something akin to the opposite.

The Allhallows club suffered what was really a most frustrating campaign during the 2009/10 season before finding a bit of a pot of gold at the rainbow's end as it were.

The experimental format of the Devon League meant that many of their league games were less than competitive and their programme was laced with withdrawals by their opponents; and these, apart from causing frustration, would have cost the club a considerable amount in lost revenue.

The weather was far from kind also, and ice bound pitches certainly caused headaches, the club having to reschedule games. A change of coach mid term too did not help their cause overmuch, but they kept soldiering on and by the end of April had made their way into a play off place for promotion to the Cornwall & Devon League.

Now I have to say that I was not over optimistic regarding their chances of success. True, they had home advantage, but had not played too much competitive rugby over the preceding weeks. Their opponents, VEOR, of whom I knew little, had for their part, achieved a play off place by dint of several hard fought wins towards the end of the season.

Any fears I might have had proved to be groundless however. A fluent first half performance saw Honiton move well ahead, and they had the victory virtually sewn up by the interval.

I think there may be exciting and challenging times ahead for Honiton and to help meet the challenges they have appointed their first professional coach in Glenn Channing whom I knew as a very handy out-half at Sidmouth. The first side will be led by back forward Brendan Findlay, with utility back Nick Guilbert as his vice.

There are, in addition, a number of young pups coming through from last year's very useful colts side and these, together with the more established performers, will, I think, form a side that will certainly hold its own in the division.

Their campaign will, of course, involve them in much longer away journeys than hitherto and this is an aspect that they should look at. I have, in the past, made joke about them having a collective nose bleed whenever they journey west of Exeter, but there was probably a germ of truth in my comment. Results often go the way of the home side because the visitors retain the journey in their legs for the first half hour of play owing to an inadequate warm up session.

The younger element should have its say too in the fortunes of the second side who play in the Devon Unofficial Merit table. They will be led by Tom Churchward, aided and abetted by Jason Fahy, and I think that they too will go well. The club's third side, which for one reason or another, did not take the field overmuch last season, have Gareth Keep in charge.

All in all I do take the Honiton club to have a successful season. Let's hope it turns out to be a rather less frustrating one that the season that has just passed!!!

SIDMOUTH will not remember their 125th season with too much affection. A long injury list was at the root of their considerable problems on the field, with

several influential players being absent for long periods, and others having to take weeks off because of fitness issues.

Largely due to injuries the side lost more than a little in cohesiveness and, playing in a most competitive division as they were, paid the price in losses. In fact, on a number of occasions they led opponents well into the final quarter before conceding points for one reason or another, ending the day losers; something that would have frustrated players, coaches and supporters alike.

They 'kept at it' however and, if memory serves, won two of their last three league games to preserve their league status. (I watched their final game against Culmpton at the Blackmore and they certainly emerged deserved winners on that occasion.)

As to this season: on the coaching front Max Hansford takes over from Andy Matchett who has completed a three year stint and, as regards players, there has been a minor exodus during the close season, with one or two leaving the area. Amongst these are Harry Chesterton, a more than useful centre, and ever-present lock Tim Phipps.

One or two wanderers have returned however, and one or two of the long term injured are now available and these, together with a couple of newcomers, will swell the ranks. All in all though, I fear that the side might well again struggle to stay in what is a most competitive division and one that is becoming more and more professional as time goes by.

#### PREVIEW OF FIRST LEAGUE GAMES.

THE initial round of league games takes place on September 4th. SIDMOUTH entertain PAIGNTON, a side whom they have come to know well in recent seasons for, unless I miss my guess, both clubs were promoted into the South West One League Division two years ago.

The Torbay side have had the better of things generally recently, although the clashes have been, for the most part, closely fought. It will certainly be important for the Blackmore side to make home advantage count and I hope they can do so.

A HONITON follower asked me whereabouts STITHIANS, the Allhallows club's first opponents in their league campaign, was situated. I replied (rather neatly, I thought) "between Four Lanes and Long Downs."

He departed, shaking his head, probably confirmed in his opinion that we who hail from West of the Tamar are all a bit strange. Seriously though, the village lies in the Camborne/Redruth area and they will certainly be able to play a bit. I believe they were promoted into the Cornwall & Devon League a season ago and ended up in the mid-table.

Honiton will do well to come back with the points; although from what little I have seen of them thus far, they have the ability to do so.

As to the second sides, Sidmouth take on Paignton at both second and colts level and the results of these games will be matters of pure conjecture. Sidmouth thirds travel to Plymouth.

Honiton seconds, for their part, take the road to Teignmouth for their first game in the Devon Merit Table.

Whatever else, let us hope that all the players remain injury free during the coming season, whatever their clubs.

● **FIXTURES September 4th:** Bridport v Kings College Old Boys (home); Chard v Wells (away); Chard 2nd v Wells 2nd (home); Chard 3rd v St Bernadettes 3rd (away); Crewkerne v Minehead Barbarians 2nd (away); Honiton v Stithians (away); Honiton 2nd v Teignmouth 2nd (away); Sidmouth v Paignton (home); Sidmouth 2nd v Paignton 2nd (away); Sidmouth 3rd v Plymouth (away); Sidmouth Colts v Paignton Colts (home).

### Golf round-up

**AXE CLIFF** with Janet Dack  
**Seniors Section**

ALTHOUGH one seniors inter-club match had to be postponed due to coastal mist last week, there were two that took place.

Firstly, on Friday past, a 4-2 home win against arch rivals Bridport avenging the May defeat at Bridport.

Winning pairings for Axe Cliff were Gilbert Cox / Rob Grove, Malcolm Glass / Hugh Willis and Morrison Brown / Bryan Dale.

Half points were gained by John Mant / Clive Davie and Chris Jowett / Alan Vincent.

The final away match of the season took place on Tuesday at Long Sutton and the home club gained revenge for their defeat at Axe Cliff in April by winning 5-1. Axe Cliff's only win was obtained by Rob Grove and Hugh Willis.

The Ladies played a friendly greensome against Sidmouth last Monday in bright and breezy conditions. Sidmouth won 2-1 with the winning pairing for Axe Cliff being Liz Wheelodon and Margaret Brown.

Unfortunately the EWGA Medal and Lorraine Cup was postponed due to bad weather.

This Sunday the Main Club played for the Geoff Davis Trophy. The winner with 39 points was Paul Cowland (4), second Alan Morgan (9) with 38 points, from Pete Northcott (12) also with 38 points but losing out on the back nine ruling.

**HONITON** with Andy Wagner  
**Help For Heroes**

FOLLOWING on from our very successful R.A.F.A Open Day the club are proud to announce, in line with the Help for Heroes initiative, the waving of signing on fees to any present service personnel who wish to join Honiton Golf Club.

As we can see from the reports below golf is a sport for life played competitively by all shapes and sizes, both males and females and by any age group you care to mention.

It is a sport that allows your Mum, Dad, brother, sister,

Grandma and Grandpa to compete head-to-head with the best in the world on the same day and the winner, thanks to the handicap system, will be the one who plays their best on the day.

It's also a game that can be practised and enjoyed at any time in any place from putting on the living room floor to chipping on a deserted beach.

So, in order to encourage those service men and women to relax but stay healthy in their spare time, we would like them to think of our club as a place to enjoy a new sporting pastime amongst people who sincerely admire the work they do for us.

#### Sunday 3BBB

WE'D organised ourselves into teams of three to play one of those care free fun games last Sunday - a Three Ball Better Ball event with two scores to count (so everybody gets a share of the blame for low scoring).

My partners and I looked more like the red arrows off the tee with balls flying left, right and centre.

A lot of the teams found playing to par quite tricky but the winning team of G Richards, R Beard and M Fowler romped home five points ahead of the field with 74pts.

Second with 69pts were S Branch, M Blackmore and J Barker ahead of F Thomas, J Fleetwood and S Squire on count back.

#### Tuesday Mixed

THIS week the Tuesday Mixed Competition was an Individual Stableford playing for the Steele Perkins Memorial Trophy.

Playing in twos, mixed pairings, the winner with 37pts was Penny Blackburn. Following closely for second place was Jan Dickinson with 36pts on countback from third placed Cyril Dann.

#### Ladies Section

THE monthly Stableford competition was played on Wednesday, August 18th incorporating the second round of the Del Cup and Sunday, August 22nd.

The Silver Division winner was

Henrietta Bradshaw with 38 pts. In second place, with 35pts, was Chris Pearce.

Bronze I - The winner with 38pts was Catherine Doherty, behind second placed handicap secretary Rosemary Greenhorn with 36pts. Elizabeth Davies was third with 35 points.

Bronze II - The winner with an excellent score of 41pts was Di Wall. Rosemary Whiteley was second with 32pts and Betty Weedon was third with 31 points. Well done those Ladies who reduced their handicaps.

#### Senior Section

THE test for the Seniors this week was a Bowmaker competition where teams of three play a Stableford format but a varying number of scores count on different holes.

This competition is split into two groups as it has been found that those starting on the 11th tee are able to record higher scores than those starting on the first tee.

The results seemed to surprise many teams who glumly presented a card thought to be poor only to find they were in the running for a prize. The message is therefore "never give up."

From the first tee the winners were the team of John Fleetwood, Fred Utting and Brian Morrison with 63 points.

Second place went to Harold Cook, Tony Proudfoot and Trevor Bradley and third to Adrian Williams, Jack Phillips and Ron Jones both on 61 points.

Prizes for the 11th tee starters went to John Bevan (Mr Pastry), John Hill and Chris Street 67, Vic Wood, Mike Kent and David Beer 66, Bob Bilyard, Brian Elkington and Alan Lane 65. Nine twos shared the 81 balls in the ball prize competition.

Two matches were played this week resulting in a 3-3 home draw with Tiverton but an overall win for Honiton over the two legs. The match away to Torquay was less successful with a 5-1 win for the home team.

◆ HONITON captain John Stabb with the winners of the Three Ball Better Ball event, G. Richards M. Fowler and R. Beard

## Cricket round-up

# Honiton win the championship

## HONITON CRICKET CLUB

with Andrew Lapping

**Honiton 1st XI v Chelston 1st XI**  
HONITON'S 1st XI secured the championship after a two wicket win over their hosts Chelston, but they were made to work for the points required to wrap up the title.

Stand-in skipper Pete Matravers called correctly and put the hosts in and having reduced Chelston to 97 for 9, Honiton looked to be heading for an early finish and to start the celebrations.

But Chelston number 11 S Singh, having arrived late for the start, had other ideas as he set about the Honiton attack on his way to smashing 93 and take his side score to a much more respectable 215 all out. Honiton Phil Tansley took four wickets to pass 50 wickets for the season.

Honiton's reply went well with contributions all down the order; Brad Groves (39) and Kevin Kelly with (42) kept the score moving well.

But it was a destructive 73 from Adam Holmes which saw the visitors home and claim the championship, with two wickets to spare.

**Honiton 1st XI v Axminster 3rd XI**  
AND SO, it came to pass that the final curtain call of Honiton's 2010 league campaign presented itself all too quickly with a home fixture against seventh placed Axminster.

The day started apparently with nothing at stake for either side, but dramatic news that third placed

Feniton had failed to field a side in their fixture, thus losing ten points, provided Honiton with the motivation to push for a top three finish if they could muster 11 points.

Andrew Lapping's bid to win the toss with his lucky pre-decimal 1967 penny backfired slightly when the opposition skipper called 'The Lady' and invited the home team to bat first.

Stalwart opening pair of Vuvu Strawbridge and Pete 'Epithemiu' Beighton, back in partnership for possibly the last time, slotted comfortably into their familiar roles against the Axminster pacemen.

Strawbridge, taking his familiar no-nonsense approach, soon had the scoreboard revolving, while the dependable Beighton showed only slightly more recklessness than usual, insouciantly hitting a boundary before ten overs of the innings had been completed.

Strawbridge, having passed 600 league runs for the season was quickly leaving his bogey score of 11 far behind and heading off towards a faultless half century as the Ax men struggled to make the breakthrough.

With both men inspired by the record shattering Trot/Broad partnership at Lords, the most likely dismissal method seemed to be via a run out.

And verily, it did come to pass that Strawbridge did drive the ball undeviatingly at short mid-wicket where the fielder did swoop with much haste.

And to the lord Beighton did enter

into discourse with his faithful batting partner saying unto him, "Yes, no, wait, how would you feel about the prospect of a run, oh go on then." And thus did Strawbridge, having smote a chanceless and dominant 73, venture from the familiar land that hath been provided for him, and this land was known as the popping crease, finding himself in the wilderness by half a pitch length. And Axminster did look upon the loss of the first wicket at 115 and knew that it was good.

Enter John 'Yoda' Connott to lend a touch of old-school charm to proceedings and take the score along to 142, before Beighton mistimed a shot of admirable ambition and was snaffled by Enticott for a typically entertaining 39.

Ian 'Pull Shot' Kelly found himself undone by a second bounce yorker from the threatening Hitte-Meigh, sparking the traditional middle order shenanigans as 'Flapper' Travers (1), narrowly avoiding the title of 'Duck Man of the Year' and Craig Lapping, with a sympathetic blob, were soon wending their way back to the hutch, thanks to the wily Summers.

Andrew Lapping, also in the duck hunt, was controversially held at backward square leg after Singleton appeared to most onlookers to have got enough grass on the ball to feed a hungry goat.

The opinion that counted, however, was that of the square leg umpire, and the Honiton captain was on his way for four as the home

side expertly executed their regular rope-a-dope trick.

Brinsford oiled the wheels to get the scoreboard ticking over again, but Connott (19) became Summers' third victim after his fortitudinous stay at the crease as he tried to move through the gears and found a frustrating lack of synchronism between first and second.

Dunn (7) and Thompson (6) nudged the score towards maximum batting points, but it was last man Schmidt (9 not out) who creamed Summers for a boundary to bring up the 200. Brinsford finished unbeaten on an average-pre-serving 19 as Honiton set the visitors a challenging target of 205.

Axminster's assault began positively as the openers raced to 64 for no wicket in no time at all. Danger man Perry took a shine to Brinsford, taking 20 off one over, while the hostile Thompson bowled unrewarded up the slope.

With neither man unduly inconvenienced, skipper Lapping rolled the dice by introducing the enigmatic Kelly into the attack.

Not for the first time this season, this proved to be a key move as the savage Perry (50) smeared Kelly's fourth ball straight into the hands of Lapping at mid off and the first wicket went down at 68.

Wynn and Leadbetter kept things on track until Kelly's flipper scooted through Wynn's defences. Schmidt, a dead ringer for Big Bill Werbeniuk produced an unplayable wrongun which did far too much for the dangerous Leadbetter to

cope with, making it 96-3 in the 17th over.

Enticott and Swain kept Axminster comfortably on course, however, as they closed steadily on their target before Swain had his furniture vandalised by Kelly's arm ball.

A score of 140-4 with 65 needed off 21 overs still represented a position of total dominance, but Craig Lapping, after a rusty start, got his banana working to hit the base of Enticott's off stump.

Singleton, bristling with intent was Lapping's next victim as the composed Dunn never missed a beat in holding onto a tricky swirler at square leg.

With 22 needed and four wickets remaining, which side would hold their nerve? The Honiton ground fielding was back to its usual high standard, Travers, Dunn, Connott and both Lappings worthy of special mention. Summers aimed to hit Kelly over the top, but the Honiton mystery man picked up his fourth wicket as Schmidt made no mistake with the resulant thick edge.

Lapping produced a peach to clean up Gadsden for a threatening cameo 10, but surely Axminster couldn't blow this one with two wickets left and nine runs needed in as many overs.

Well, actually they could as Craig Lapping goaded Fragel into taking on his arm for a second run at deep square leg.

The entire batting side, including, and especially, the non striker screamed "no" as Fragel considered

the option of a second run. The logic circuits went on the blink and he set off anyway as Lapping's tracer-bullet reached keeper Strawbridge with the batsman left flapping like a stranded sprat.

The last pair kept the visitors' hopes alive for a couple of overs before Kelly delivered the coup de grace with an inswinging slider to castle Hayball with the total on 198 and finish with the excellent figures of 10.4-2-52-5.

Craig Lapping took a vital 3-26 and Schmidt 1-28 as Honiton emerged victorious by a mere six runs in a fittingly gripping end to the season.

Honiton skipper Andrew Lapping was full of praise for all his players efforts over the season: "We ended the season with the same energy and effort that we put in at the start and our final position is the reward for all the hard work that all the lads who have played this year have put in.

"At the start of the season I said that our main aim was to secure our place in this division first and foremost, but I also said that a top four place would be possible if we put the work in, so to finish third is fantastic.

"If we can add a couple players over the winter and a few of the youth lads continue to progress well then we will be in good shape for next season but now we can just be proud of what we have done this year."

## Devon & Exeter Football

NEW boys Chagford made a dismal start to their first ever game in the Devon and Exeter League with a shock 2-0 defeat at Bow AAC in the first round of the East Devon Senior Cup.

The former South Devon League side were unable to come to terms with the enthusiasm of their Mid-Devon hosts, or their tiny ground, and crashed out to second-half goals from Alex Bowden and Lloyd Copp.

Clyst Valley, who have won the trophy twice in the past three years, are also out at the first time of asking.

The Valley were beaten, 2-1, by Alphington, despite holding a first-half lead through Luke Todd.

The Alphas then upped their own game to equalise through Dean Jordan before Steve May notched an 85th-minute winner.

Topsham Town were too strong for Cullompton Rangers, winning 6-1 with Aiden Way getting a couple of goals. Stuart Tyrer, Matt Anderson, Darren Pattinson and a 40-yarder from Danny Pym were Rangers' downfall.

Halwill are through to the quarter-finals after a dramatic second-round victory against Honiton Town.

Halwill won 5-4 on penalties but the East Devon side fluffed a great chance to clinch it on penalties before succumbing.

The extra-time ending was 3-3 with Robbie Holland, Andy Winsor and Darren Martin scoring for Halwill, while Chris Lane had a couple of the Honiton goals.

St Martins won the other second round tie, 1-0, against Sidbury United but were kept

waiting until the 80th minute before Steve Matthews popped in the winner.

Heavitree Social United enjoyed their trip to Hatherleigh Town where the won 5-2.

Callum Hoare, Ryan Crocker, Garry Webb, Jason Ronchetti and 'Man of the Match' Adam Whitley shared the Heavitree goals. New boys Tim Green and Danny Gray scored for Hatherleigh.

Thorverton, the reigning Premier champions, eased past Wellington Town, 5-1. Darren Osmande and Lee Radford both scored twice for the Thors.

Beer Albion had to work hard for their 4-2 win against Witheridge.

Two second-half James Melville goals clinched it for the Fishermen, who were level at the break, 2-2, thanks to two John Cooper first-half penalties.

Neighbours Seaton Town won 3-2 at home to Tipton St John, with Dan Norman, Durrant and Maxy French scoring.

East Budleigh beat Elmore, 5-3, but they nearly let the game slip after being four ahead at the break.

Spender West (2), Simon Tuley, Matt Chown and a Josh Sale penalty saw Budleigh through.

Barnstaple Town were hugely-impressive in the only Division One match played with a 5-1 win at Heavitree Social United. John Nott scored the only home goal.

Pinhoe made a good start to the season with a 4-0 win at home to North Tawton in the Bill Slee Cup, first round. Winnie Conibere (2) Alex Mackie and Simon Rose were on target.

Clyst Valley won 3-2 at Dawlish United

with Vinnie Jones, Ryan Perryman and Mike Lashbrook scoring. Chris Lane was their man of the match.

Culm United won 3-1 at home to Exmouth Amateurs with Richard Harris scoring twice.

Ian Curran and Martin Tyrer were the Topsham Town marksmen in their 2-1 win against Newton St Cyres.

Westex Rovers won a really hard tie against Crediton United, 3-2. Luke Passmore Ricky Butt, and Shane Hogan, with a penalty earned the Rovers a second-round spot.

## Bowls round-up

## FIVE OUT OF SIX FOR SUE

**HONITON** with Tony Broughton

SUE Evans, five; Trevor Pipe, two. The finals weekend turned out to be a bit of a benefit for Sue Evans claiming five of the six trophies she played for; the only one she missed was her battle against this years men's champion, Trevor Pipe in the Marshall Handicap.

In this triples competition you play 13 ends and score three for shot, two for second and one for third; others do not count. Trevor won 40-26 after 11 ends.

Sue's other victories were first against Shirley Hiscocks in the Ladies Championship (this she won quite convincingly).

Next against Jenny Wilde in the Rice Handicap where Jenny is scratch and Sue handicapped at 7. In the real world that would mean Jenny got a 7 shot lead but with the strange system adopted by the DCLBA, 7 is added to Sue's count meaning she has to get 28 shots instead of 21. Having said that, even if Jenny had been given a seven shot lead, she would still have lost 21-17.

In the Ladies Pairs, Sue was accompanied by Pat

Trembeth and again had a very convincing win over Jenny Wilde and Pearl Hackwood.

In the Dimond Mixed Pairs playing with Wally Heard against Tony Tooley and Ann Hillyear she had a bit of a fright when after what had been a tight match she scored a 4 and 2 to go 3 ahead only to drop a 5 to go 2 down. Then an amazing hot shot of 8 put her and Wally 6 ahead.

Two more threes from Tony and Ann put the score back level at 26 all with two ends to play. A 2 for her and 1 for Ann meant Sue and Wally had won by just 1 shot - a very exciting game.

Her fifth victory was with Colin Mees against Brenda Harris and Trevor Pipe in the Corney Mixed Pairs. Colin, who is also a member of the Exeter, Exonia Club, only plays at Honiton in this one competition which they won convincingly.

This years men's champion is Trevor Pipe. He gained this title once again by defeating Malcolm Seabourne. This had been a close match, but then a quick 10 shots gained over five ends gave Trevor victory.

**Saturday 28th August**

**Bill Slee Cup, First Round**  
**COLYTON 1 LYMPSTONE 0**  
COLYTON limped into the second round of the Bill Slee Cup with an unconvincing 1-0 win over Lymptone from Devon and Exeter League Division Four.

Coly struggled to repeat their pre-season up-tempo performances and for large periods of the game were stuck in first gear.

Five minutes into the match Callum Somers broke clear of the Lymptone defence but his shot was well blocked by the keeper.

Then strike partner Richard Tratt had two similar opportunities but pulled his shot wide each time.

Colyton were the better side but were guilty of giving Lymptone far too much time on the ball.

Lymptone were dangerous on the break and narrowly headed over when it seemed easier to

score.

Coly's best player on the day, keeper Kris Reed, had to be at his best to save with his foot after the Lymptone striker had carved his way past the static Coly defence.

Coly picked up the pace in the last ten minutes but still the sparkle was missing.

Coly improved in the second half and finally strung several passes together.

Lymptone continued to push and Reid was called to make several good saves. With Coly starting to get a firmer grip gaps were appearing in the oppositions defence and some desperate last-ditch tackles were flying in.

From one free kick Somers hit a rasping drive, which the keeper dive full length to save.

Coly finally broke the deadlock on 78 minutes and it was from another free kick this time Marc

Potter hit in a ball with pace and skipper Paul Millman controlled the ball and knocked it pass the keeper to win the tie.

Coly saw out the remaining ten minutes but will need to improve if they wish to progress this season.

● The Otters performance at Newton Abbot last Tuesday (Aug 24th) was very disappointing in all departments resulting in a 0-4 defeat.

The only player to perform anywhere near his normal standard was the hard-working Aaron Carpanini.

Manager Dane Bunney has until Wednesday (September 1st) to lift his squad when they play their first home league match of the season against Budleigh Salterton; he'll be hoping that the town will turn out in force to support the team.

Malcolm did not fair any better in the Webbs Men's Singles where he came up against this year's captain, Eddie Sharman. This competition is for men that have not won a single competition at this club and Eddie came out a fairly easy winner. Hard luck Malcolm, but he did get to both singles finals and that's good bowling.

Rosemary Hirons, who plays our two wood discipline in most of the Top Club matches, came up against Carole Binmore in our Ladies Two Wood contest. I am afraid to say Rosemary found her match in Carole who somewhat overwhelmed her and only needed to play 14 ends out of the 21.

Last competition, the Pollard Men's Pairs saw Liam Crawford, Mike Sellick's grandson aged just 13, team up with Ken Large to play against John Bryan and Ted Cox.

This was a very tight game from start to finish and at the last end John and Ted were just one shot down but another single for Liam and Ken gave them the Cup by two shots. Well done to Liam in his first competitive season at the club.

**FENITON** with Roger Smith

IT WAS an eventful week for Feniton Ladies when their semi-final of the Inter Club competition at Tavistock was washed out.

The match was rearranged and played at Exonia, with much improved weather conditions. However, the strong Kings Club, Torquay, proved more than a match for them. Feniton were in touch for the first two thirds of the match but faltered in the closing

third losing by 28-43.

Feniton did have some success with Glynda Blackmore, Ruth Clarke, Lyn Eveleigh and Ruby Veitch winning by 19-11. Nevertheless, reaching the semi-finals of this county competition was a tremendous achievement. Feniton wish the Kings Club every success in the final.

The weather also caused the last of the Mens Over 60s triples matches to be postponed. The A team face a crucial match next week at home to Okehampton, the result deciding which of the two teams is relegated.

The mixed team enjoyed success against Culm Vale winning by 92-81. The winning rink was Eillen Tuck, Margaret Imms, Roger Clarke and Kevin Lovering 28-8, unusually two of the other three rinks tied. The impetus was maintained with a convincing win against Phear Park by 90-58. The winning rinks were Pat Usher, Graham Phillips, John Livings and Don Conbeer 27-16, Gill Smith, Anita Pritchard, Eddie Cox and Les Ley 18-13, Anne Edwards, Jean Cartland, John Dibble and Lyn Eveleigh 20-15 and Norma Cox, Frank Jones, Alan Smith and Martyn Eveleigh 28-14.

The final match of the week was away against local rivals Ottery St Mary. The match was played in a friendly atmosphere and was very close with Ottery winning by 99-91.

The winning Feniton rinks were Pat Usher, Eddie Cox, John Livings and Eileen Tuck 26-15 and Ted Izzie Goodenough, Dot Chipperfield, Mike Chipperfield and Christine Granger 24-16.

## RUNNING CLUBS ROUND-UP

**AXE VALLEY RUNNING CLUB**

with Dave Mutter

FOUR AVR's headed east for Dorset's Doddle, a Long-Distance Walking Association event which also welcomes runners.

The hilly 32-mile route follows the coast path from Weymouth to Swanage and can offer stunning views although on race day the clag was down.

First AVR home was Garry Perratt who had been running with the leader on and off but crashed and burned around 25 miles, had to walk much of the last section but finally reached the finish second in 5:40, 20mins behind the winner.

Geoff Woodward was somewhat disappointed with 6:53 as it was much slower than last year. Mike Giles got lost in the mist but finally finished in 10:03. Steve Reynolds followed another runner who claimed to know where he was going but clearly didn't and they reached Lulworth Cove having done an extra seven miles where Steve retired.

On Sunday, 11 AVR's made the trip to Langport to run the battle of Sedgemoor 10K, a fast course and a good

place to get a PB with eight of the group managing this.

The winner was Kevin Heywood from Bideford AAC who finished in 31:28. The first Axe Valley was Alex Todd who ran a very determined race and managed 12th place and a two minute PB to finish in 35:48.

Alex was closely followed by Luke Reed who had a great run; he was 20th in 37:19. Chris Keefe was very pleased to get a PB and break the 39 minute mark finishing 41st in 38:58 with Jon Day pleased with a big PB as well just five positions behind taking 39:12.

These four made up the AVR team who were unfortunately piped to second by Running Forever. Graham Newton had a good run and got a PB; he was 117th in 43:51. Eric Emerson had a good race; he was 141st in 44:47. Joyce Rendell came in 237th in a very good 49:38.

Gavin Warren got a very big PB, he finished 269th in 51:10. Bridget Keefe also got a new PB; she was 389th in 1:01:23.

Gill Day smashed her PB by over ten minutes, she was 431st in 1:07:54 and finally Diane Newton managed a PB finishing 445th in a very impressive 1:13:22.
